

Your smart meter
is coming soon.

We'll knock when we arrive, but you don't need to be present for your upgrade unless your meter is inside or difficult to access. For your safety, all Grid One vehicles are marked with our logos for easy identification, and all Grid One employees will have photo identification verifying they are an authorized contractor for NYSEG.

Learn more about smart meters at [nyseg.com/installation](https://www.nyseg.com/installation)

NYSEG

An AVANGRID Company

P.O. Box 5240
Binghamton, NY 13902-5240
