

TO: Town of Lewisboro Planning Board

FROM: Lewisboro Conservation Advisory Council

SUBJECT: Pound Ridge Stone
2 West Road, South Salem, NY 10590

DATE: January 8, 2020

The Conservation Advisory Council (CAC) reviewed the applicant's submission of a sketch plan for a Site Development Plan and Special Use Permit to construct a storage unit.

In addition to the mitigation plan, it appears from a recent viewing that the property is now being used for truck parking for a local tree company. The CAC would like to understand how storing industrial grade vehicles impact the effects on the wetlands and how this is being considered in the mitigation plan. Also, given that these are trucks from a tree company, the CAC would like to know if wood chips have been dumped behind the property where this is another wetland.
