11 Main Street/PO Box 500
South Salem, NY 10590

Dear Legislator Pierce, Supervisor Calves and Supervisor Goncalves:

Thank you for your correspondence to the New York State Department of Transportation (NYSDOT) regarding the condition of Route 35 in Northern Westchester County and for helping to facilitate the field meeting on August 16, 2022 with Senator Peter Harckham, Assemblymember Chris Burdick, and local officials.

During the field meeting, we drove various state highways in northern Westchester County to review the conditions and to discuss maintenance plans and possible projects. My staff and I look forward to working with you in the future.

NYSDOT personnel strive to maintain the state highway system in the best possible condition. Although Route 35 in Northern Westchester is not on the NYSDOT capital program, NYSDOT professionals will continue to monitor this roadway and conduct maintenance as needed. NYSDOT professionals also will consider your concern as future projects are developed.

Thank you for your interest in and support for the transportation system. For further questions or concerns, please call Glenn Boucher, Regional Maintenance Engineer, at

Sincerely,
