SUBJECT: Altholz driveway, 327 Waccabuc Road, Goldens Bridge, NY 10526  
DATE: May 10, 2023

The Conservation Advisory Council (CAC) has reviewed the materials submitted by the applicant for a driveway.

The submitted drawing did not show the wetland buffer lines or a well demarcated wetland.

In addition to an updated plan which includes the wetland information, the CAC would like to see a wetland mitigation plan including a listing of any plantings and a stormwater management plan if needed.
