

Lewisboro Playground Improvement Project

June 8, 2023

Town Supervisor
P.O. Box 500
11 Main Street
South Salem, NY 10590

Dear Tony Gonçalves, Supervisor,

The Lewisboro Town Park Playground Improvement Corp. (LPP) is pleased to present the second check for \$55,000 to the Town of Lewisboro, NY. These funds were donated by Lewisboro community members, local businesses, and committee members of LPP. This is the second of two checks intended for the Lewisboro Town Park Playground Project. We would like to thank the Town Board Members and Lewisboro Recreation Department for your guidance and assistance, and we are grateful for your partnership. Lewisboro's commitment to providing inclusive recreational opportunities for all members of our community has been instrumental in making this playground a reality.

Regards,

Valerie Cancro
President and Project Manager

We have also contributed:
Blank Brick materials: \$2,385.75
Chess Tables: \$3,675
146,060.75 and 55,000 = \$201,060.75

Message to community:

Hi, I'm Valerie Cancro President and Project Manager of the LPP.

The Lewisboro Town Park Playground Improvement Committee would like to thank the community for coming out in a big way for the Ribbon Cutting and Grand Opening on June 3rd 2023. We had an amazing turn out of very excited children and families. Since the opening we have been overjoyed to see the usage of the playground and the gathering of community members.

We had some questions around whether there was still time to donate bricks to the new playground. After discussing with the brick company, they have agreed to re-open our brick fundraiser for a limited time, and we will update the current brick footprint with any new bricks that people would like to donate. We are so appreciative of all the support.

Please visit our website under donation options and select "That's my Brick" to custom order your brick today. Brick website:

<https://www.thatsmybrick.com/lewisboroplay/design-brick.php>

Another way to support both the Lewisboro Playground Improvement Project and the Lewisboro Library is to purchase your own Lewisboro Illustrated Poster by local artist Marilena Perilli. This collaboration fundraiser gives the opportunity for the playground committee to purchase a communication board to be installed at the park.

The community has been behind the fundraising for the new playground and while the playground is complete, there are some areas that the Lewisboro Playground still needs support such as: maintenance, updated picnic tables, and some upgrades to the pavilion. To that effect, our 501(c)(3) has agreed to stay open in order to continue to collect donations from people who may not have had the chance over the last four years.

Once the extended donation period has closed, the team of volunteers working under the 501(c) would like to close the corporation in their final act as The Lewisboro Playground Improvement Project. It has been an honor working on this project, and I know our volunteers are looking forward to enjoying the new playground.
