

Oakridge Water District – Federal Funding opportunities 2022

PFAS project applications:

PFAS mitigation plan was one of 10 projects in Congressman Sean Patrick Maloney's district to be approved for \$1.8 million in federal funding. You can read about it here, scroll down to Oakridge:

<https://seanmaloney.house.gov/ny-18-community-project-submission-summary>

The Senate Appropriations Committee accepted, via Senator Chuck Schumer's office, a congressionally directed spending request for Wild Oaks Sewer District and Oakridge Water District:
