Section 2 - Contact Information

Important Instructions - Please Read

Contact information must be provided for <u>each</u> of the following positions as indicated below:

- 1. Principal Executive Officer, Chief Elected Official or other qualified individual (per GP-0-08-002 Part VI.J).
- 2. Duly Authorized Representative (Information for this contact must only be submitted if a Duly Authorized Representative is signing this form)
- 3. The Local Stormwater Public Contact (required per GP-0-08-002 Part VII.A.2.c & Part VIII.A.2.c).
- 4. The Stormwater Management Program (SWMP) Coordinator (Individual responsible for coordination/implementation of SWMP).
- 5. Report Preparer (Consultants may provide company name in the space provided).

A separate sheet must be submitted for each position listed above unless more than one position is filled by the same individual. If one individual fills multiple roles, provide the contact information once and check all positions that apply to that individual.

If a new Duly Authorized Representative is signing this report, their contact information must be provided and a signature authorization form, signed by the Principal Executive Officer or Chief Elected Official must be attached.

For each contact, select all that apply:

- Principal Executive Officer/Chief Elected Official
- O Duly Authorized Representative
- O Local Stormwater Public Contact
- Stormwater Management Program (SWMP) Coordinator
- O Report Preparer

Section 4 - Certification Statement

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

This form must be signed by either a principal executive officer or ranking elected official, or duly authorized representative of that person as described in GP-0-08-002 Part VI.J.

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Continue to update the webpage for stormwater management on the Town website including listing of available education materials, and notice of upcoming regional presentations and related stormwater management events, print and make available brochures and newspaper printing on targeted management practices, continue to develop a collection of educational stormwater management materials and make available to the public and continue to broadcast educational

material on public access television.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The Town of Lewisboro is continuing to update the website as needed. In addition, the Town has continued to gather and distribute information about stormwater management and phosphorus reduction. Residents have received an e-mail notice on stormwater management. The public has been informed on any stormwater related events. The Town Stormwater Committee is working on public service announcements related to stormwater topics.

C. How many times was this observation measured or evaluated in this rep	outing povied?
C. 110w many times was this observation measured or evaluated in this rep	orung period:
D. Has your MS4 made progress toward this Measurable Goal during this	(ex.: samples/participants/events, reporting period?
	● Yes ○ No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?	● Yes ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Print, mail, e-mail and broadcast on public TV stormwater management information to residents. Ongoing: Continue to update the website on stormwater management, continue to collect and distribute educational materials, notify the public of upcoming presentations and related stormwater events. Continue to create stormwater public service announcements and/or stormwater-related programs to air on local television.

This report is being submitted for the reporting period ending March 9,

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank. SPDES ID

12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Town continues to enforce a local law requiring septic system pump outs and inspections by all residents at least once every 5 years. Conduct training for Town employees following any changes to the local law addressing illicit discharges. Identify and eliminate any illicit discharges identified. Continue to require yearly septic inspections for residences with septic systems in wetland and wetland buffer as per Planning Board requirements.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

The mechanism for reporting illicit discharges yielded +/-2 illicit discharge that were identified. Staff training on illicit discharges and municipal good housekeeping has resulted in improved detection and elimination of illicit discharges. 43 letters were sent out to homeowners with Planning Board septic inspection requirements. Complete +/-20% Town-wide outfall reconnaissance inspections.

C. How many times was this observation measured or evaluated in this report	ting period?
	1
(1	ex.: samples/participants/events,

- D. Has your MS4 made progress toward this measurable goal during this reporting period?
 - Yes O No
- E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?
 - Yes No
- F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Conduct employee training. Inspect and collect data of +/-20% of the known outfalls using the reconnaissance inventory method. Ongoing:Maintain illicit discharge community hotline. Conduct inspections of alleged illicit discharges. Eliminate all illicit discharges and coordinate investigation/correction of illicit discharges with WCHD or appropriate authority when necessary. Continue to require septic system inspections, as required by the Town Code.

How many MS4s contributed to this report?	

1. Choose/list each municipal operation/facility that contributes or may potentially contribute Pollutants of Concern to the MS4 system. For each operation/facility indicate whether the operation/facility has been addressed in the MS4's/Coalition's Stormwater Management Program(SWMP) Plan and whether a self-assessment has been performed during the reporting period. A self-assessment is performed to: 1) determine the sources of pollutants potentially generated by the permittee's operations and facilities; 2) evaluate the effectiveness of existing programs and 3) identify the municipal operations and facilities that will be addressed by the pollution prevention and good housekeeping program, if it's not done already.

7. Evaluating Progress Toward Measurable Goals MCM 6

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Identify appropriate Best Management Practices (BMPs) for Town facilities. Continue to conduct street sweeping and cleaning catch basins to improve stormwater management. Maintain records of municipal septic system maintenance. Continue to reduce phosphorus use in town facility management. Completed annual inspections of Town Facilities.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

SWPPPs for all town facilities have been created and are available on location. 85 miles of municipal streets were swept, 179 catch basins cleaned, 29 water chutes cleaned and 5 acres of parking lots swept. Fertilizer containing phosphorus was not used on municipal lands and the total number of fertilizer used was greatly reduced. Town has purchased a vacuum truck to facilitate routine maintenance of stormwater conveyance system and management practices.

C.	. How many times was this observation measured or evaluated in this reporting period?	
		1
	(ex.: samples/partici	pants/events)
D.	. Has your MS4 made progress toward this measurable goal during this reporting period?	
	● Yes ○	No
E.	Is your MS4 on schedule to meet the deadline set forth in the SWMPP?	
	● Yes ○	No
F.	Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).	,

Ongoing: Continue to use BMPs to conduct street sweeping, catch basin cleaning, salt storage and landscaping. Update SWPPPs as necessary. Continue to perform annual inspections of Town Facilities.

This report is being submitted for the reporting period ending March 9, 2 0 1 7
