

# Veteran's Banner Project

This Veteran's day season, the Lewisboro Veterans Committee will be recognizing our local veterans by displaying individualized banners around town at local shopping centers, to honor and recognize our town's heroes.

The banners will be raised at the Goldens Bridge, Cross River and Vista shopping centers, from Veterans Day (November 11th) until after Thanksgiving (November 26th) this year.

Banners can be sponsored by friends, family, a business or anyone else who wants

to purchase a banner for a veteran or active service member.

The banners are professionally printed and will be 18" by 36", full color, high quality and weather resistant.
