

LIONS CLUB ANNUAL ROADSIDE CLEANUP PROJECT

Event Date

Sat, Apr 20 2024, 10am - Sun, Apr 28 2024, 11am

The Lewisboro Lions are now finalizing plans for the annual Lewisboro roadside cleanup project organized every year by the Club. The cleanup is scheduled for the weekend of April 20. Orange trash bags are available at the Town Clerk's office.

Everyone wishing to participate may call Lion/Town Clerk Janet Donohue at 763-3511 to let her know what roads will be covered, or to ask for an unassigned road.

Neighborhood coordinators are always needed. Anyone wishing to organize their neighborhood cleanup should let Lion Janet know as well.
