Septic System Rehabilitation & Sewer Connection Program

About

The **SEPTIC SYSTEM REHABILITATION & SEWER CONNECTION PROGRAM** will rehabilitate failing septic systems and connect properties to an existing sewer line abutting their property for those property owners:

1. Who meet income eligibility requirements; &
2. Whose property is located in the New York City Watershed.

Eligibility

The home you own must:

- ✓ Have a failing septic system or the property must abut an existing sewer line;
- ✓ Be located in the New York City watershed; and
- ✓ Owners must earn below Westchester County's Area Median Income (AMI*):
