DAY CAMP REGISTRATION BEGINS MONDAY, MARCH 4TH

PROGRAM REGISTRATION BEGINS TUESDAY, MARCH 26TH

Dear Lewisboro Resident:

As I write this letter, I am smiling knowing that Spring is around the corner and Winter will be winding down. We have a fantastic Parks & Recreation Department and I thank them for all they do. I would also like to thank all the residents for the continued support of this great department. I am looking forward to another exciting year in our Town and the projects in the hopper in support of our Parks & Recreation facilities. I am sure, as in years past, that Lewisboro residents will not be disappointed by what Parks & Rec will be offering.

Schedule of some events for this year include:

- Pup-ster Egg Hunt – 3/23
- Taylor Swift Trivia Night at the Horse & Hound (adults only) – 4/19
- Paint Night for Adults – 5/2
- Back to the 90s Dance Party (adults only) – 5/10
- Pool – Opening Day is 5/25 (July 4th Celebration, Family Fun Nights and Barbie Pool Party)
- Town Park Playground 1 year Anniversary Party – 5/31
- Juneteenth at Town Park – 6/19
- Pride at Town Park – 6/22
- Fireworks at Onatru Farm Park – 6/29
- Day Camp – 7/1

The Parks & Recreation team are always thinking outside-the-box. Other events are under consideration including some new youth programs and clinics. As we move along with planning on those, we will keep you posted.

Last Spring, I had mentioned the new playgrounds in Town. Our Town Park inclusive playground will have its 1-year anniversary as will the Fox Valley Park playground. Let's not forget the Onatru Farm Park upgraded playground and those new sunshades which I hear are a major hit. I hope you and your children have been enjoying these new additions to our parks.

For updates from the Parks & Recreation Department, please visit the website at: www.Lewisbororecreation.com and get on their email list.

PARKS AND RECREATION NEWS/HAPPENINGS

We would like to say "Welcome to our Parks and Rec Team" Michael Gallagher as our new Parks Groundskeeper. We are glad to have you here.

A MESSAGE FROM THE LEWISBORO STORMWATER COMMITTEE

One important goal of Stormwater Management is to minimize the amount of phosphorus entering streams and lakes. A little phosphorus goes a long way. For example, one pound of phosphorus supports 500 pounds of plant growth! It is best for water containing phosphorus to soak into the ground rather than to run off. The phosphorus in the water will bind with the soil and thus be removed from the water. Run-off can be reduced by slowing the flow of water so that it can soak into the ground.

Here are some lawn care tips to reduce stormwater pollution.

If you fertilize, use phosphorus-free fertilizer **as required by law** (the middle number on the bag is zero). Spread with care. Excess fertilizer flows into streams, lakes, and reservoirs, where it can degrade water, lead to algae and plant growth, and contribute to fish kills. Don't fertilize when rain is expected.

Aerate your lawn to improve water absorption. Lawns can become less pervious due to compaction or a buildup of thatch. Use a core aerator to punch holes in the lawn to allow water and nutrients to penetrate the lawn to aid its growth and reduce runoff.

Use a mulching mower to shred the fallen leaves into small enough pieces to sift down through the grass and decompose. You can also use a bag attachment on the mower to catch all the chopped up leaves and grass and compost it if you want. To learn more about the mulching mower, tune in to LCTV, Channel 20 in the Spring, or the Town website under LCTV Videos, and watch a short Public Service Announcement that the Committee created. You can see a mulching mower in action.

Help your lawn fight weeds by keeping the grass 3" tall so weeds are shaded out. Over seeding in the spring will help grass compete with weeds.

SEPTIC SYSTEMS

Pump out your septic system! It's a good idea to maintain your septic system. And now it is the law.

To protect the quality of the area's drinking water, Westchester County and Lewisboro instituted a septic system inspection requirement in 2011. Septic systems are a source of phosphorus which accelerates plant growth and can kill Lewisboro's lakes and watercourses, destroying much of the scenery that makes our Town such a wonderful place in which to live. This law requires that each septic system be pumped at least once during every 5 year period. Failure to do so may result in significant fines.

This means that if you haven't had your septic system pumped since Spring of 2019 it's time to do so NOW. Many septic systems require pumping more often than every 5 years, depending on usage or condition. Have your septic system pumped out this season by an authorized Westchester County septic hauler.

Keep your copy of the septic system inspection report as proof if records get lost. Bureaucracies are not perfect and the report is the only proof that you obeyed the law!

PLEASE NOTE:

1. OPENING DAY – SATURDAY, MAY 25th

Come and take the plunge!! Town of Lewisboro and Katonah-Lewisboro School District residents have been extended a free opening day at the Lewisboro Town Park pool.

Individuals who were members last year only need to mail in a check and registration form and your permits will be renewed through the computer or renew online.

All new pool members and children of pool members who have reached the age of 2 are required to get a pool permit including a photo ID picture. Each new member **must** come to the Recreation Office to have a photo taken with our system and you will receive your new permit before you leave. These permits are PVC cards with a design and bar code. The process may take a few minutes so in order to minimize your waiting time, as well as everyone else's waiting time, **we urge you to complete and mail in your registration form along with payment prior to your office visit for photos.**

Be sure to keep your permit(s) for the following year. In the future, you will not need to have new pictures taken (exception – children will be asked to renew their photo every 3 years) or even mail in your cards. We will then be able to renew memberships through the computer system or online with a credit card.

In the event you lose your permit, there is a \$15.00 replacement fee.

Please mail in your registration form and fee prior to visiting the office. Refer to page 1 for a detailed listing of our office hours when photos will be taken.

RACQUET SPORTS

The Town of Lewisboro offers our residents two locations for tennis play. There are four all weather courts at Fox Valley Park in Goldens Bridge. There are four Hadeka soft surface tennis courts at Onatru Farm Park on Elmwood Road in South Salem. A reservation system is in place again this year using Court Reserve. All tennis permit holders will receive the link to download the app for their court reservations. Only permit holders will be able to reserve court time. Each household will be able to register for an one hour play time (if no one signed up after you and no one is waiting to play, you can play longer).

Here are some policies with Tennis Court usage for the 2024 season.

You must have a permit to play.

- Each permit holder may have ONE guest per visit.
- For doubles, there must be two permit holders on the court for two guests.
- **ABSOLUTELY NO LESSONS ARE PERMITTED UNLESS OFFERED BY THE TOWN OF LEWISBORO.** No exception of any kind will be considered or permitted.

Individuals who were members last year can renew online at www.lewisbororecreation.com and we will mail the key and permit to you unless YOU email parks@lewisborogov.com and make arrangements for your key to be picked up so you can play right away.

All new tennis members will have to come to the office for a photo ID and pick up a key.

The tennis season for Fox Valley Park runs from April 1st through October 31st. Onatru Park tennis courts will open on May 1st (weather permitting) through October 31st.

PLEASE NOTE: The tennis courts at Fox Valley are used by the Katonah-Lewisboro School District and for our Town tennis lessons from April 1st through mid-June. A complete schedule of usage is on Court Reserve.

PHOTO ID SYSTEM

A photo ID system has been implemented for tennis permits. To renew your tennis memberships, simply mail in your 2023 photo ID cards, check and registration form to our office. Please refer to page 1 for a detailed listing of our office hours for photos.
